

SOCCER UNDER THE LIGHTS: FIELDS UPDATE

The Old Butte Soccer Complex Expansion has begun and the excavation is almost complete! You may have noticed the construction site located just north of Broadway and west of Old Butte Road. The construction site is enormous. It is twice the size of the soccer designated area at Sunnyside Park and roughly the same size as Community Park. If all goes according to schedule the open areas will be seeded and the fields hydro seeded in late august and games will start by late summer 2009. BYSL has contributed \$85,000 to the first phase of the project.

The CHC Foundation has granted BYSL \$25,000 for the lighting project. BYSL still needs to raise at least \$50,000 more for the lighting. We are working hard to raise this amount and have applied for grants from other sources as well.

BYSL is sponsoring a BYSL at Real Salt Lake night and will also be selling coupons to raise more money for the project. Please support our kids as they sell these coupons.

If you or your company would like to donate, please contact us at soccerunderthelights@gmail.com or by calling Mackay Hanks at 390-6749.

A special thanks is in order for our growing list of donors to the project listed below. Please express your thanks to these businesses and give them your support.

Here's how you as a parent or coach can help:

Go to this website:

www.ResponsibleSports.com

Choose the Community Grants link (on the left side of the page). Click Search for Your Sports Organization. Choose the Responsible Sport Parenting link or Coaching link. Take the Quiz and Submit. Very quickly you will be notified what questions you answered correctly. A page with the certificate information will be displayed. Credit your certification to BYSL by searching by Organization Name for "Bonneville Youth Soccer League" Two options will show up (don't know why) -- click on button next to the one with the Zip Code of 83402. Enter your information and submit the page. This must be done before July 19, 2008.

Thanks for taking the time to complete this and helping us reach our goal for lighting the new fields!
