SOCCER UNDER THE LIGHTS INFORMATION

Fundraising to campaign to provide the following:

- Light two of the new soccer fields on the south end of the complex.
 - Goal to install lights by Summer 2008.
- Fence in the two fields.
- Provide seating for spectators.
- Install two scoreboards.

Reason for the project:

- Provide an adequate place for soccer to be appreciated as a spectator sport and to support our young players.
- Later start times for High School Games so students don't miss a half day of school for local games.
- Be able to host the State High School Soccer Championship – preference is given to facilities that can charge admission.
- Twin Falls and Boise already have lighted fields and thus have the competitive edge for hosting tournaments. This affects our teams' ability to compete as well.

SoccerUndertheLights.net:

- Information regarding the project including updates.
- Make donations through pay pal.
- Coming Soon: opportunities for businesses for sponsorships and advertising.
